

WINTER WEAR

SPENCER TECH ACADEMY

This email is not enough for me to express my gratitude for the amazing blessing Spencer received. I was in tears when I saw so many boxes filled with warmth and love. I saw the faces of children light up with joy as they tried on their coats. We have been able to share the love of warmth with all members of their household. Thank You !!!!!!!

ST. LEONARD'S MINISTRIES

These winter items make so much of a difference for the participants we serve. This is my favorite time each year, being able to shower our residents with the necessary winter items they need and deserve. It's thanks to donors like the Logan Foundation that we are able to do so.

ALCOTT ELEM

The winter wear that you so kindly donated helped many of our families and continues to impact them throughout the rest of this winter.

The excitement could not be hidden from students when they got a brand new coat that fit them correctly and was warm, one that was just for them and other winter accessories they desperately needed.

RING OF HOPE

Happy little ones received coats, hats, gloves, & scarves. They are so grateful. We have other communities that we helped with winter wear that are all so excited and happy. We all thank you for all the in-kind donations we receive. We are able to help so many individuals and families throughout the city of Chicago and surrounding Suburbs.
